“the purpose of life is a life of purpose”

Dear Year 13 Parents, Carers and Guardians,

I am writing to you to update you on some key information regarding the upcoming A Level mocks exams for all Year 13 students starting on the 4th January 2018.

As you are aware mocks are an important part of preparing for the summer examinations and revision is vital in preparing for these mocks.

A Levels mocks in all A Level exams take place between Thursday 4th and Tuesday 16th January 2018. I have provided all Year 13 students with a copy of the mock exam timetable and enclose a copy with this letter. I will also provide advice to all year 13 students regarding revision and how devise a revision timetable. It would be very helpful if you were able to discuss this at home.

Mock results day will be held on Friday 26th January 2018 and students can collect their results from the Library between 8.30am and 9.00am.

I would like to invite you to the sixth form parents evening on Thursday 1st February 2018 between 4pm and 6.30pm in the Main Hall. This parents evening is a particularly important for year 13 students and their parents to review mocks but also to outline what needs to be done ready for the final exams in May and June.

A small number of Year 13 students may be taking AS resit exams and it is important for them to also build in time for revising this content also, resit paperwork will be issued to students.

I would like to wish all Year 13 students the very best of luck in the mock exams and hope they achieve grades that reflect their attitude to learning and their preparation. Thank you also for your continued hard work and support as we approach the final few months of A levels.

Yours sincerely

Rebecca Dawbarn
Head of Sixth Form
