

Dear Parent, Guardian, student,

The Art and Photography students have been completing their exam preparation period since the start of term. This time is almost over. The exams are taking place in the week beginning the 23<sup>rd</sup> April. The work completed in the preparation period and in the timed exam will be marked together as their externally set assignment and earns up to 40% of their GCSE. Each student will have three sessions for their Art or Photography timed exam as follows.

**On Monday 23<sup>rd</sup> April** they will have 2 hours final Practical Preparation Time where they should be uploading resources, transferring images from phones, printing contact sheets, preparing art materials, making final evidence and adjustments in their sketchbooks and taking the opportunity for last questions of their teachers. **At the end of their session they must hand in their sketchbooks which will then remain under care of the teacher. Late books cannot be accepted**

**On Tuesday 24<sup>th</sup> & Thursday 26<sup>th</sup> April OR Wednesday 25<sup>th</sup> & Friday 27<sup>th</sup> April** they will have two full days (10 hours) to produce their final idea to the best of their ability under standard exam conditions.

This means:

- No communication with each other; no talking, no music.
- Mobile phones handed in at the start of the lesson and kept at the front of the room/switched off (no access to phones during the lesson)
- Sketchbooks are to be kept at the front of the room and may be referenced but not worked in
- All materials and artwork remain in the classroom between session
- Their final idea must be completed by the end of the 10 hour time limit. There is no further allocation for mounting. The only exception is students completing their outcome in Clay who will stop their exam by hour 9 allowing one hour for decoration and glazing after it has been fired

### **Coursework update**

Coursework was due in, completed, at the start of January. Whilst the students have been focussing on their exam project we have been assessing it and identifying anywhere students could make most significant improvements in their final mark. After the exam students will have two weeks to complete any improvements.

### **Important dates**

Hand in deadline for any coursework: **Tuesday 15<sup>th</sup> May (no work will be accepted after this date)**

School based standardisation of marks by teachers **Thursday 17<sup>th</sup> May**

**Teachers involved in A level exams and Marking May 19<sup>th</sup> – 25<sup>th</sup>, Half term May 21<sup>st</sup>-June 1<sup>st</sup>**

Final mark given is issued to students upon request: **Monday 4<sup>th</sup> June**

Deadline for any Review of marking requests: **Friday 8<sup>th</sup> June**

Marks sent to the board **Monday 11<sup>th</sup> June**

Exhibition for External moderation by a visiting moderator for A level and GCSE is in **June**

The final assessment process is detailed and takes a very long time, all sketchbooks and final pieces must be re-marked, compared to examples provided by the board and sorted into rank order before individual final marks are allocated. Please assist us in this process by ensuring that your child meets the deadlines and makes sure that all work is clearly labelled with their name. Thank you

With regards

Elaine S Humpleby
