“the purpose of life is a life of purpose”

Dear Year 12 Students, Parents, Carers and Guardians,

I am writing to you to update you on some key information regarding the upcoming A Level mocks exams for all Year 12 students starting on the 26th June 2018.

As you are aware mocks are an important part of preparing for the final examinations in Year 13 and revision is vital in preparing for these mocks.

A Levels mock exams take place between 26th June and 2nd July 2018. I have provided all Year 12 students with a copy of the mock exam timetable and enclose a copy with this letter. I will also provide advice to all year 12 students regarding revision and how devise a revision timetable. It would be very helpful if you were able to discuss this at home.

A mock results day will be held once the papers have been marked. A date will be confirmed soon and on the day students can collect their results from the Library between 8.30am and 9.00am.

I would like to wish all Year 12 students the very best of luck in the mock exams and hope they achieve grades that reflect their attitude to learning and their preparation. Thank you also for your continued hard work and support as we approach the final few weeks of Year 12.

Yours sincerely

Rebecca Dawbarn
